ARGENTINA: DETAILS OF MASS GRAVE

Q. Do you have any comment on the press reports that a mass grave has been found in Argentina that may contain bodies of people who disappeared during the "dirty war" against subversion?

A. We have seen the press reports, but we have no additional information or comment at this time.

We have seen the reports and understand that a request for an investigation has been referred to a federal Argentine judge. ~~where~~ Therefore we believe it inappropriate to make any comment at this time.
